This week's raffle was taken out by **Brian Morgan** who won a tin of chocolates and a stab at the Jolly Joker. He drew the 4 of Clubs, so the major prize is still safe.

Heartprint Honey

Beautiful jars of local honey are available through President Sue for only \$10. All proceeds go to Heartprint Cambodia for another house for another family in need.

This week's Rotary Acronym is STEP. Lydia Tseng introduced us to the Short Term Exchange Program. This alternative version of youth exchange gives 15-18year olds the opportunity to live and attend school for 4-8 weeks in another country. It is a reciprocal exchange, family to family. Our district sponsored 10 students to Germany from October to December last year and 10 German Students will be in 9660 in March. RCEM will sponsor a STEP student this year if the opportunity arises.

PDG Gerard McMillian
OAM presented Brian Coffey with a Paul Harris Major Donor Recognition award to celebrate Brian's US \$10,000 total contributions to the Rotary Foundation.

Brian Coffey then presented Alison Crane with a Paul Harris +3 in recognition of Alison's US \$4,000 contribution to the foundation.

The RCEM board decided to donate \$100 each week to the foundation in the name of a randomly selected active member of the club. This week, the award was made in Glenda Brigg's Name.

Glenda Briggs reminded us that the University of Newcastle has advertised for a nominee for a Peace Scholarship. Approximately 1000 are nominated from around the world each year and our community group has the opportunity to make a nomination this year.

A lectern presented to the inner wheel club by RCEM in 1986 found its way back to the club. 1986 was the year that Rotary first accepted female membership.... My we have come a long way!.
